

LEGACY AG CREDIT, ACA AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee (Committee) is a committee of the Board of Directors (Board) whose primary function is to assist the Board in fulfilling its oversight responsibilities relating to the quality of financial reporting and internal controls. Consistent with this function, the Committee should encourage continuous improvement of, and foster adherence to, Association policies, procedures and practices at all levels. To ensure proper adherence to internal controls, an ethics hotline for reporting of concerns regarding accounting and/or auditing deviations has been established. Employees are encouraged to report any questionable practices or procedures through this program.

It is not the duty of the Committee to plan or conduct audits or to determine that the Association's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent accountant. However, it is the responsibility of the Committee to ensure reasonable steps are taken by management to ensure the accuracy of financial reporting and adherence to internal controls.

II. COMPOSITION

The Committee will be comprised of at least three directors. Members appointed to the Committee must be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. Members of the Committee should have a working familiarity with general business and/or basic finance and accounting practices and collectively should have the accounting or related financial management expertise to fulfill their responsibilities. The Committee must include any director designated as a financial expert under FCA regulation 611.210(a)(2). The Chairperson and members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and serve until their successors are duly selected and qualified.

III. MEETINGS

The Committee will meet at least four times annually, or more frequently as circumstances dictate. To foster open communication, the Committee will meet as often as needed, but at least once per year, with management, the internal auditor and the independent accountants in separate executive sessions to discuss matters that the Committee or any of these groups believe should be discussed. Special meetings may be called at any time by the Chairperson. Members of the Committee may participate in a meeting through use of conference telephone or similar electronic communication equipment, so long as all members participating in the meeting can hear one another, have all information needed to participate, have been given time to examine all materials, and are able to participate in discussions. Participation in a meeting constitutes attendance at the meeting, except for purposes of compensation, which will be treated in accordance with the Association's Director Compensation Policy.

IV. QUORUM AND VOTING

If the Committee is comprised of an even number of directors, one-half of the number of directors will constitute a quorum for the transaction of business. If the Committee is comprised of an odd number of directors, a majority of the Committee members will constitute a quorum for the transaction of business. If the quorum consists of three or more members, majority vote is required for any action. If the quorum consists of two members, a unanimous vote is required for any action.
